What values do you share?

e.g. These are examples; you might have other values as well.

- Stick to the deadlines that have been set.
- Ask group members if there are any parts of the coursework you don't understand.
- Attend when we meet up for sessions outside of the workshop.
- Update the group on how you are progressing with the coursework.
- Respect your group members.
- Criticism is welcome but it must be constructive.

Group rules and guidelines

Communications

1. Group members should be in constant contact.
2. Group members shouldn't be hard to reach.

Interaction between members

3. Group members should respect one another.
4. Everyone should feel heard.

Making decisions

5. Make decisions as a group.
6. Everyone should have a say on decisions.

Task assignment

7. Tasks should be even distributed.
8. Ask the group members for assistance.

Workshop attendance

9. 100% expected.
10. If you are not attending, then let the group members know.

Completing homework tasks

11. Stick to deadlines.
12. Let group members know if you are behind.

Completing the Contribution Log each week.

13. Complete weekly.
14. Remember it is essential to track progression.
